**Scoop: 20cc**

Net Contents: ○ 2.20 lbs (1.0 kg)

○ 5.00 lbs (2.27 kg)

**Product Facts** continued

**For use in Equine only.** Recommended to support a healthy digestive system. Supports healthy renewal of gut tissue. Contains ingredients to soothe and buffer against gastric acid.

**Cautions:**

- Safe use in pregnant animals or animals intended for breeding has not been proven.
- Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; with diabetes or any metabolic disorder causing hyperglycemia; with a history of urinary tract stones; with known allergies to shellfish.
- If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.
- Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.
- Absorption of drugs taken simultaneously may be delayed (Slippery Elm Bark).
- May Be a GI Irritant (Turmeric & Curcumin).

**Directions for Use:**

Provide to horses weighing 1,100+ lbs (500 kg) at the rate of ½ to 1 ounce per day. The enclosed 20 cc scoop will hold approximately ½ ounce (14 grams) when filled to "slightly rounded". Usage rate may be adjusted proportionately (based on weight) lighter breeds, ponies, etc.

**Warnings:**

- For animal Use Only.
- Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.

○ 10 lbs (4.54 kg)

○ 25 lbs (11.36 kg)
