Sulfate
90% (Porcine)

Net Weight: 6 oz. (170g)

Product Facts

Active Ingredients

(per 4 gram/4,000 mg serving)

Chondroitin Sulfate
(Porcine Source)

3,600 mg (90%)

Cautions

Safe use in pregnant animals or animals intended for breeding has not been proven.

Consult your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; diabetes, or any metabolic disorder causing hyperglycemia; history of urinary tract stones.

If lameness worsens, discontinue use and contact your veterinarian.

Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset.

12 oz. (340g) 24 oz. (681g)

For equine and canine use only. Recommended to support healthy joint structure/function.

Directions For Use

Provide to horses at the rate of 2,000 to 4,000 mg per day or as advised local attending veterinarian. Dosage may be adjusted proportionately based on weight of animal. Enclosed 6.5cc scoop will hold approx. 4,000 mg when filled to level.

Warnings

For animal use only.

Keep out of reach of children. Keep out of reach of other animals/species. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
