Product Facts (continued)

Directions for Use:

For use in canines only. Use to support healthy joint structure & function.

Administer to larger breeds at the rate of 10 grams per day (one slightly rounded 14.77 cc scoop). Small to medium breeds should receive two (2) level 5cc scoops (5 grams). For "toy" breeds, administer one (1) slightly rounded 5cc scoop (2.5 grams) per day.

The double-ended scoop provides both a 14.7cc scoop and a 5cc scoop for convenient administration.

Warnings:

For animal use only.

Keep out of reach of children. Keep out of reach of other animals/species. In case of accidental overdose, contact a health professional immediately.

This product should not be given to animals intended for human consumption.
