Product Facts (Continued)

For equine use only. Use to support normal emotional balance and calmness. Supports balanced behavior and reduced hyperactivity.

Directions for Use

Administer to horses weighing 1,100 lbs + (500 kg) at the rate of one (1) ounce (28.4 grams) to provide 5 grams of Magnesium (Mg) & 1,000 mg of Thiamine (B₁). Usage rate may be reduced proportionately, based on weight, for lighter breeds and ponies.

The enclosed 48cc scoop will hold approximately one (1) ounce (28.4 grams) when filled to just below lip of scoop ("scant").

Warnings:

- For animal use only. Keep out of the reach of children and animals.
- In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
