Product Facts (Continued)

For Equine Use Only. Use to support healthy joint structure and function.

Directions for Use

Use HorseTech's MSM & Devil's Claw at the rate of one (1) ounce (28.4 grams) per day.

The enclosed 60cc scoop will hold approximately one ounce (28.4 grams) when filled to "level".

Administer to mature horses weighing 1,100 lbs (500 kg) at the rate of one level scoop per day (one ounce).

Dosage may be adjusted proportionately, based on weight, for larger or smaller breeds.

Warnings:

- For animal use only. Keep out of the reach of children and animals.
- In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
