Product Facts (Continued)

Directions for Use

Provide to mares weighing 1,000 lbs+ at the rate of 3.75 to 4.0 grams per day (one very lightly packed scoop).

The enclosed 29.6cc scoop will hold approximately 3.75 grams to 4 grams when very lightly packed.

May use an additional scoop per day for the first 10-14 days or on day of scheduled activity.

May be used at same rate for geldings.

May be used continuously--all year.

Warnings:

- For animal use only. Keep out of the reach of children and animals.
- In case of accidental overdose, contact a health professional immediately.
- This product should not be given to animals intended for human consumption.
